Defect ID	Defect summary	Mobile device/version no.	Steps	Test data	Defect types	Defect severity	Defect priority
			Rajkot Municipal Corporation				
1	check registration no feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. erty tax page 3. open profession tax page 4. check registration no feld	R no. - 6546435435454353563535165489876546545321	Functionality Defect	minor	low
2	Check party code's search button without data	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. ssion tax page 3. open profession tax RC 4. Check party code's search button without data	-	Functionality Defect	normal	low

3	Check application no feld	Device - Laptop Asus F15
		----------------- 	
		Version - 10.0.26100 Build 26100
			1. open link
			2. open online registration ge
			     3. open edit application
			     4. check application number feld
				App no. - 83298423957295295562395625252522572	Functionality Defect	minor	low

4	Check birth date feld	Device - Laptop Asus F15
		----------------- 	
		Version - 10.0.26100 Build 26100
			1. open link
			2. open online registration page
			     3. open edit application
			     4. check birth date feld
				App no. - 76313131316461516494442531616	Functionality Defect	minor	low

5	Check application no feld	Device - Laptop Asus F15
		----------------- 	
		Version - 10.0.26100 Build 26100
			1. open link
			2. open online registration ge
			     3. open print application
			     4. check application number feld
				App no. - 83298423957295295562395625252522572	Functionality Defect	minor	low

6	Check application no feld	Device - Laptop Asus F15
		----------------- 	
		Version - 10.0.26100 Build 26100
			1. open link
			2. open online registration ge
			     3. open print call letter
			     4. check application number feld
				App no. - 83298423957295295562395625252522572	Functionality Defect	minor	low

7	Check result page	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open online registration ge 3. check result page	-	UI Defect	critical	normal

8	Check fees payment page	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open online registration page 3. check fees payment page	-	UI Defect	normal	normal
9	Check vacany no feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open online registration page 3. open search application page 4. check vacany no feld	-	Functionality Defect	minor	low
10	Check apply online page	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open online registration page 3. check apply online page data	-	Functionality Defect	minor	low
11	Check address feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open property on page 3. check address feld	-	UI Defect	minor	low
12	Check address feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open property on page 3. check address feld	-	Functionality Defect	minor	low
13	Check name feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open property on page 3. check name feld	-	Functionality Defect	minor	low
14	Check D. C. no. feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open property on page 3. check D. C. no. feld	-	Functionality Defect	minor	low
15	Check address feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open online assessment on page 3. check address feld	-	Functionality Defect	minor	low
16	Check submit button without data	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open profession tax history 3. check submit button without data	-	Functionality Defect	minor	low

#	Test Case	Environment	Steps	Test Data	Defect Type	Severity	Priority
17	Check tab preview	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	. open link n other tab 3. move cursor on previous tab	-	UI Defect	minor	low
18	check registration no feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open water charges rment 3. open profession tax page 4. check registration no feld	registration no. - 316145614561461461 615461541445164516 4516434447744414	Functionality Defect	minor	low
19	Check address feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link oking page 3. check address feld	-	Functionality Defect	minor	low
20	Check address feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link oking page 3. check address feld	-	Functionality Defect	minor	low
21	Check vehicle no feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. 5 open e-memo payment je 3. check vehicle no feld	vehicle no. - ----------------------------- vehicle no. - jamcjydlsf	Functionality Defect	minor	low
22	Check pole no. feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open complain on page 3. check pole no feld	-	Functionality Defect	minor	low
23	Check remark feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open complain on page 3. check remark feld	-	Functionality Defect	minor	low
24	Check go back button	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open application form page 3. check go back button	-	Functionality Defect	minor	low
25	Check 'yojana nu name' feld	Device - Laptop Asus F15 ----------------- Version - 10.0.26100 Build 26100	1. open link 2. open dublicate receipt page 3. check yojana nu name feld	-	Functionality Defect	minor	low

26	Check submit button without data	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link 2. open payment history page 3. check submit button without data	-	Functionality Defect	minor	low
27	Check go back button	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link 2. open new shop registration page 3. check go back button	-	Functionality Defect	minor	low
28	check search button without data	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 9.5 page 3. check search button without data	-	Functionality Defect	minor	low
29	Check go back button	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 9.5 page 3. check go back button	-	Functionality Defect	minor	low
30	check search button without data	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 9.6 page 3. check search button without data	-	Functionality Defect	minor	low
31	Check go back button	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 9.6 page 3. check go back button	-	Functionality Defect	minor	low
32	Check 'hal nu sarnamu' feld	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 12.1 page 3. Check 'hal nu sarnamu' feld	-	Functionality Defect	minor	low
33	Check 'kaymi saarnamu' feld	Device - Laptop Asus F15 ------------------ Version - 10.0.26100 Build 26100	1. open link open 12.1 page 3. Check 'kaymi saarnamu' feld	-	Functionality Defect	minor	low
